INFLUENZA HERE

FOUR CASES ARE REPORTED TO CITY PHYSICIAN RYAN

IS "INFLUENZA YEAR"

Recurrence of Epidemic Is Similar to Experience of 1890 When Thousand sSuffered From It.

Spanish Influenza has reached Maryville, four cases having been reported to Dr. F. M. Ryan, city physician since Saturday evening. Quarantine orders were immediately issued and the premises in each case were placarded. It is learned that a number of cases have been reported at Maitland and that the schools there have been ordered cloesd. No other towns in this vicinity have reported any cases of influenza.

This is "influenza year" resembling 1890 when an epidemic of the disease spread over the entire country, in the opinion of doctors who met in Chicago recently to discuss the epidemic of Spanish Influenza. This was a national conference at which was represented the American Public Health Service, the Red Cross, the Army and Navy. The concensus of the conference is embodied in the following rules:

Avoid contact with other persons so far as possible, especially avoid crowds including picture shows.

Avoid persons suffering from colds, sore throats and coughs.

Avoid chilling of the body or living in rooms of temperature below 65 degrees or above 72.

Sleep and work in clean fresh air.

Keep your hands clean and keep them out of your mouth.

Avoid expectorating in public places and see that others do likewise.

Avoid visiting the sick.

Eat plain, nourishing food and avoid alcoholic stimulants.

Cover your nose with your handkerchief when you sneeze, your mouth when you cough. Change handkerchiefs frequently. Promptly disinfect soiled handkerchiefs by boiling or washing them with soap and water.

Don't worry and keep your feet warm. Wet feet demand prompt attention. Wet clothes are dangerous and must be removed as soon as possible.

In most cases a person taken sick with influenza feels sick rather suddenly. He feels weak, has pains in the eyes, ears, head or back, and may be sore all over. Many patients feel dizzy some vomit. Most of the patients complain of feeling chilly, and with this comes a fever in which the temperature rises to 100 to 104. It is very important that every person who becomes sick with influenza should go home at once and go to bed. This will help to keep away dangerous complications and will, at the same time keep the patient from scattering the disease.

Keep the lights burning. Maryville cannot afford to be in darkness. Your vote Wednesday FOR the light contract will be a vote for a better town.

G.O.P. DRAFTS COL. M'NEELY

Committee Files Name as Candidate to Oppose Chas. F. Booher.—Is Now With Army in France.

The Republican committee of the Fourth Congressional District, has filed in the office of the secretary of state the name of Col. John D. McNeely of St. Joseph, as the Republican candidate to oppose the Democratic nominee.

Col. McNeely is now a colonel on the staff of the Second Army Corps, in the war zone in France, where he has been nearly a year. He left St. Joseph as colonel of the 4th Missouri Infantry soon after the United States entered the war, and his was one of the first units to cross overseas.

Colonel McNeely has an enviable military record, which began in the Spanish-American War. At that time he was a major in the Fourth Missouri National Guard. At the close of the war with Spain he retired to private life and the practice of his profession, that of lawyer, in St. Joseph, and 1904 was elected prosecuting attorney.

At the outbreak of the Mexican border troubles, Major McNeely, now advanced to the rank of colonel, went to the Rio Grande in command of the 4th Missouri, and was engaged in patrol duty for several months. After order had been restored there, he again returned to civil life, only to mobilize his regiment for active duty when the United States entered the world war in 1917.

Colonel McNeely, of coures, knows nothing yet of his nomination.

The light contract has been shown to be fair and equitable. Maryville without lights would not be a desirable place to live in. Your vote FOR it Wednesday will be a vote for progress.

Miles Nicholas Sells Farm.

Miles Nicholas has sold his 160 acre farm, four miles southwest of the city to Lincoln Partridge for $28,000. Possession will be given March 1. Mr. Nicholas expects to locate in Colorado. The deal was made through the Wallace Bros. Land Company.

'MUST VOTE THE TAX'

OUR MORAL DUTY TO ADOPT THE LIGHT CONTRACT, SAYS MILLER

POINTS OUT CIVIC DUTY

"We Voted Away City Revenue in Ousting Saloons, Now Let's Find Something to Take Its Place."

"There is no alternative—it is up to Maryville to vote for the proposed tax to cover the cost of lighting the city under the contract made by the city council with the electric light company." Such was the statement of Rev. C. Emerson Miller of the First Christian church last night in a discussion of "The Duty of the Church to the City," and in which he pointed out the obligations of citizenship relative to city affairs.

"Said the speaker: "In the past the church, unless it has been engaged in some reform movement, has been contented to stand idly by and be an indifferent spectator to the things that are being done in a civic way. We have been concerned mostly with the 'shall nots' in religion and have been a negative power. But the time is here when the church or the preacher who has no larger view than 'what the community owes my church,' is going out of business."

The citizen who pays only what he is taxed and does nothing but criticize is not a good citizen. He must have a part in the things that go to make a city what it should be. That city is the best city which has the greatest number of public spirited citizens.

"The duty of the church is to awaken responsibility and point out the civic duty of its members and what is due the community in which they live.

"When we voted out the saloons we voted out of the city treasury $8,400 in revenue and we have not undertaken any constructive measures to aid in finding more means whereby it might be replaced. We went ahead and got rid of the evil and then complacently elected a city administration to shoulder the burden and let them solve the problem as best they could, it was no affair of ours.

"I have gone into the light contract and its relation to the city thoroughly and as it stands today I can say that it is a fair, just and equitable contract. There is just one question, and that is the fairness of the rate made five years ago. The present contract is virtually a renewal of the old one with fifteen per cent added to cover increased cost of production. The men who made the old contract had the city's best interest at heart and we must take it for granted that the price is a fair one. I blame the city administration, however, for not getting the advice of an expert as to what a fair price would be. But, be that as it may, we are morally bound to help put back that $8,400 revenue.

"Voting a special tax to pay for lights will relieve the city's general fund of a big strain and in a few years the city's finances will be in shape to meet all normal needs. I do not believe in shifting the burden to the business men for it is a matter that concerns every one of us. We owe it to our schools, to our children, that the streets be kept safe. I do not believe the government would allow the military unit at the Normal to remain here if Maryville should vote for a darkened city.

"Municipal ownership just now is out of the question for even if it were desirable, and it should be voted, an order placed for material would not be delivered from two to three years as the government has taken over all plants making such supplies. Anyway I do not think we want municipal ownership if the operation of the water plant is to be taken as a sample of what we might expect.

"If the old contract was fair an increase of fifteen per cent is not too much. But no matter what the rate it is not one cent more than we ought to pay. We have neglected our own business. By a petition signed by twenty-five property owners and presented to the Public Service Commission we could have had them up here and they would have said what a fair rate would be. We can still do that after the election if we desire to be satisfied. But be the contract fair or otherwise, we must have lights and the contract may be ratified later by the Public Service Commission.

"We are not interested enough in our own business to see that things go on as we desire they should and we must make Maryville a safe city to live in and I believe it our duty as citizens and as our moral obligation to vote for the contract.

A FLYER IS COMING

AIR FLIGHTS BY ARMY OFFICER FRIDAY, OCTOBER 11.

TO AID LIBERTY LOAN

Field East of Fair Grounds Has Been Selected.—Announcement of Detailed Program Given Later.

Air flights by an army flier will be a feature of the Liberty Loan campaign an order having been given permitting the flight of an army plane from Belleville, Ill., to Maryville Friday, October 11, when, on arrival here a series of exhibition flights will be given.

George Robb Ellison, in company with Bert Clark of Chillicothe, visited aviation headquarters at Belleville, Ill., Saturday and secured an order from the commanding officer ordering flights at Chillicothe and Maryville. The flier and his pilot will leave the Belleville field Wednesday evening flying to Chillicothe where exhibition flights will be made Thursday. The plane will leave Chillicothe Thursday evening, arriving at Maryville the same evening to be in readiness for the exhibition here Friday.

Every town in the county supplied with electric lights has voted a tax to pay the cost. Maryville cannot afford to do less with a fair price asked for the service. Vote FOR the contract Wednesday and make Maryville a good place to live in.

The field selected for the ascents and landings of the airman is the farm immediately east of the fair grounds and west of the Wabash railway known as the U. S. Wright farm. A detail from Company C, Home Guards will be on duty Thursday night to guard the plane and the entire company will take part handling the crowds Friday.

Just what hours the flier will devote to flying has not yet been learned and it is expected that a definite announcement of such program as may be decided upon will be made public this evening or Tuesday.

It is expected that one of the largest crowds ever gathered in Maryville will be here Friday to witness the flights and take part in the campaign for the Fourth Liberty Loan which got under way this morning.

Four hundred solicitors are canvassing the county today beginning a week of intensive effort in putting the county over the top with a million and a quarter dollars subscribed.

Germany is at this time floating its ninth war loan. In spite of her relatively small national wealth of only $80,000,000,000 she has thus far, thru high interest as well as exerting extreme pressure on her people, succeeded in financing her war efforts.

Her hopes of solving her financial chaos have been largely buoyed up by the Chimera of huge indemnities to be collected from her vanquished enemies.

The Fourth Liberty Loan will bring home to her that now, as one hundred years ago, America stands ready to raise "billions for defense, but not one cent for tribute."

MRS. ADAM KERN DEAD

Funeral Services at Methodist Church Tomorrow.—Body Will Be Taken to Iowa For Burial.

Funeral services for Mrs. Maria Kern, the wife of Adam Kern, who died at 3 o'clock yesterday morning at the family home west of the city, will be held at 10 o'clock tomorrow morning at the First Methodist church, conducted by the pastor, Dr. G. S. Cox. The body will be taken on the noon train to Norfolk, Ia., for burial.

Mrs. Kern was born January 31, 1846 in Westmoreland county, Pa. She was married to Mr. Kern January 4, 1872. She is survived by her husband and one daughter, Miss Myra Kern, living at home. Mrs. Kern had been suffering for years.

Mr. and Mrs. Lee De Vore were in St. Joseph Saturday.

Germans Made Violent Counter Attacks on St. Quentin Front, But Were Pushed Back by French Who Swept on.

Paris, Oct. 7.—The French repulsed violent German counter attacks on the St. Quentin front during the night while on the Champagne front they captured St. Masmes on the Stippe river and penetrated Hauvine on the Armes river the war office announced.

With the Americans Northwest of Verdun, Oct. 7.—The Americans forced their way across to the west bank of the Aire river today and occupied a village which the Germans had evacuated in the face of American fire. After occupying the village the Americans continued to push forward mounting the slopes of the hill along the banks of the Aire. American planes aided in the search for a detachment of Americans which have been lost in Argonne forest. The aviators had baskets containing homing pigeons which were dropped at various locations in the forest where the detachment was last seen but the birds have not yet returned.

London, Oct. 7.—The French fighting north of St. Quentin captured Morcourt. This extends the decisive hold of the French on the eastern bank of the St. Quentin canal.

With the Americans on the Champagne Front, Oct. 7.—General Gouraz of the Franco-American army on the Champagne front has achieved such striking success that there are indications today the Germans will withdraw to a line on the Aisne river running through Berry Au Bac Rethel and Vouziers. If such retreat is carried out it would mean a retirement of a total depth of twenty miles from the old German line at some points. Air observers report the enemy aerodomes are being dismantled and moved north of Aisne and the batteries are being moved northward. Villages are burning and ammunition dumps are being blown up behind the German front.

With the Americans Northwest of Verdun, Oct. 7. —Fighting their way forward step by step the Americans have advanced slightly over a whole front between Meuse and Argonne Forest reaching Hill number 269 which dominates Romagne, a pivot of the German Kriembildre line. A hospital near Chephy was shelled by the Germans Sunday. There were some casualties.

London, Oct. 7.—"During the night we established new posts at the canal crossing north of Aubencheul-Aux-Bois," the war office announced today. Aubencheul-Aux-Bois is only eight miles south of the important German base at Douai.

"I have investigated the light contract clause by clause. It is just and fair. I believe the price asked for the service is reasonable. It should be the duty of every citizen to see that it is approved." Rev. C. Emerson Miller.

K. OF C'S HELD BIG MEETING

Rev. Father Niemann Makes Stirring Talk in Favor of Liberty Loan Drive and Coming Y. M. C. A. Canvass.

One of the big dafs in the Maryville Council, Knights of Columbus, was the meeting yesterday when a class of seventy-eight was initiated into membership and about fifty visiting Knights were present. The Maryville council now has a membership of 300 and of this number 70 are in military service. The members at home keep all the dues and obligations of the war members paid up and do everything they can in a personal way to aid their men both in service abroad and in this country.

The initiatory ceremony yesterday was in charge of district deputy, J. J. Tusshaus of St. Joseph and the degree team from the St. Joseph Council. On account of the large crowd present, the work was put on in the I. O. O. F. hall.

"Maryville must go forward. It is time we realized our civic obligations. It is either a matter of lights or darkness for Maryville's streets. For the slight cost distributed equitably among all the taxpayers under a fair contract, we must in justice to ourselves and our town vote FOR it." George Robb Ellison, president Commercial Club.

Arrangements were in charge of B. F. Dougan, recently elected Grand Knight and a committee of assistants which included J. B. Cummins, J. Ed Costello and W. H. Linneman.

After the lodge services a "war feed" was served in the armory at 7:30 o'clock last night. The Rev. Father Frowin of Clyde was toastmaster and some very clever pledges and responses were given. The Rev. Father Henry F. Niemann pastor at St. Patrick's church made a very stirring talk urging all to help in the Fourth Liberty Loan campaign to the very limit of their finances and to give the same kind of assistance to the coming Y. M. C. A. drive, in which seven big religious organizations, including the K. of C's. are uniting next month for the benefit of our soldiers.

MEMORIAL FOR SOLDIER

A memorial service for Roy David Hunterson, the son of Dr. and Mrs. D. J. Hunterson of Ravenwood, who was killed in action in France on September 2, will be held next Sunday at the Methodist church in Ravenwood at 2:30 o'clock in the afternoon.

The memorial address will be given by the pastor, Rev. Lininger, and an obituary of the young soldier will be read by Emmett Bishop. There will be singing by a double quartet and a gold star will be placed upon the service flag of the church.

Young Hunterson was the only son of Dr. and Mrs. Hunterson.

TEXT OF THE PEACE NOTE

President Asked to Approach Other Belligerents for Cessation of Hostilities with His Terms as "Basis"

Washington, Oct. 7.—The nation waited this afternoon for the President to speak on the new peace move. Officials said his reply "will hit the Central Powers another blow between the eyes." General official comment every where agrees the President would not accept the Teutonic proposal because it was designed to rob the Allies of their right to end the war on terms to suit humanity instead of by negotiation and barter.

Washington, Oct. 7.—President Wilson is expected to make a quick reply to the new Austro peace move. Official and unofficial Washington is fully convinced the overtures made by Prince Maximilian will be rejected.

Copenhagen, Oct. 7.—Prince Maximilian of Baden, the new German imperial chancellor, announced in the Reichstag that he had sent a note thru the Swiss government to President Wilson, in which he had requested Mr. Wilson to take up the question of bringing about peace and to communicate with the other belligerents regarding the subject.

The chancellor told the reichstag he had addressed his note to the President of the United States because Mr. Wilson, in his message to congress on January 8, 1918, and in his later proclamations, particularly his New York speech on September 27, had proposed a program for a general peace which Germany and her allies could accept as a basis for negotiations.

The text of the note forwarded by the imperial German chancellor Prince Maximilian, to President Wilson, thru the Swiss government, follows:

"The German government requests the President of the United States to take in hand the restoration of peace, acquaint all the belligerent states of this request and invite them to send plenipotentiaries for the purpose of

NEED FOR NURSES IS VITAL

Demand So Great in France, Nurses's Aids Are Being Placed in Charge of Entire Wards.

Washington, Oct. 5.—The demand for nurses is so great in France that nurses' aids are being placed in charge of entire wards in French hospitals, Mrs. M. Barnett McComb, said here on her arrival from Europe. Some of these aids have not been overseas more than two weeks, she said.

Mrs. McComb, who is the wife of Lieut. McComb, U. S. N., was in England when the war started and immediately volunteered her services. She was one of the first women sent to France in the capacity of a nurses' aid by the American Red Cross. She is now on a visit to America after a year in various hospitals in France.

"The need for American nurses, especially in operating rooms, is desperate," said Mrs. McComb. "The nurses in France are working far beyond their strength and unless nurses are sent to relieve them they will go to pieces.

"It is heart-breaking to see the utterly inadequate supply of nurses, on one side straining every nerve and sinew, on the other, long, long lines of wounded suffering soldiers, moving inch by inch toward the operating room, and the temporary peace of ether. They lie in the corridors, some as many as thirty-six hours at a time, waiting to be operated on, and they are so brave. The nurses, too, are brave, and do not stop until they drop."

A Remarkable Service On Silk Blouses

Which Offers You the New Styles at the Moderate Prices Prevailing a Year Ago

—Here's a good example of how a public spirited store serves you. and why and how it profits you to buy at such a store:

Early last Summer a maker of quality Blouses, wrote us to the effect that he had made very extensive purchases of fine Silks (Georgette and Crepe de Chine) the fore part of this year; that both because of the large quantities ordered and the time at which the order was placed the prices were sharply under the prevailing market quotations; further, that he proposed to make up these Silks into Blouses for his regular accounts for delivery during the Fall and Winter months; that each month a certain quota made up in the latest and most-wanted styles would be delivered, and that as a result of the numerous savings that would result from the co-operative method the values would be the most unusual. We, of course, accepted the proposal, and the second allotment of the Blouses has just arrived, and will go on sale tomorrow.

Just another word: The Blouses are made of fine, durable fabrics, the workmanship is excellent, and they are all cut true to size so as to insure perfect fitting. The prices are—

$3.98 and $5.00

Quantities are limited and no more of the same styles will be obtainable.

HOOSIER Kitchen Cabinet

The Heart of the Cabinet

Exclusive Hoosier Ideas

This statement is taken from a government bulletin and it voices a vital truth. 24,000,000 women work in America's kitchens preparing meals– this is our biggest industry, and one that is operated with the smallest amount of labor-saving equipment.

The kitchen cabinet heads the list of kitchen conveniences, because it saves steps and time and prevents waste every day in the year.

A bulletin of the U. S. Department of Agriculture says: "A kitchen cabinet is just as important to the woman as the bench to the workman or the tractor to the farmer. With it the housekeeper can sit down comfortably with kitchen workshop within easy reach."

The Hoosier is universally recognized as the leading kitchen cabinet. It is made in the largest kitchen cabinet factory in the world—big production makes low cost possible. The latest and most improved Hoosier sells at very little more than before the war—we bought our Hoosier stock early and have a full line of the various styles and prices. But we will not be able to get more this year, so it will pay you to get your cabinet now while the price is low and the stock is complete.

ADD TO OGDEN HERD

Forty Head Purchased From Famous Arkansas Shorthorn Breeder.

Lawrence B. Ogden returned last week from Fayetteville, Ark., where he purchased the fine Shorthorn herd of Judge Hemingway of that city for Ogden & Son. The herd consists of forty head and is considered the best herd in that state. Judge Hemingway disposed of them on account of labor conditions in that section.

Mr. Ogden purchased Saturday twenty-five acres of land adjoining his farm on the south.

Knitting.

Oh, I sit and I knit, as my grandmother did,
In the days so long ago,
And my needles, like hers, make a sturdy cloth
For one gone to fight the foe.
Oh, I knit and I think, as my grandmother did
In the days so long ago,
With my thoughts, like her thoughts, on a sweetheart dear,
So gallant to meet the foe.
Yes, I think and I love, as my grandmother did,
In the days so long ago,
And my love is as strong as her love was then
For him who must meet the foe.
Oh, my grandmother loved her own back from that hell,
In the days so long ago,
Like an armour of light her love kept him safe,
And strong against the foe.
So I knit, and I love, as my grandmother did,
Who loved well so long ago,
And my sweetheart will come back to me some day,
When there is a conquered foe.

The American Red Cross War Council, at the urgent request of the United States Public Health Service, has agreed to assist the government in combating the spread of Spanish Influenza. It is impossible to tell when or where the disease will show its self, and no community should fail to take every possible precaution. The fact that you have no case today is no reason why you may not have fifty tomorrow. The United States public health service has issued a special bulletin which it has asked the Red Cross to circulate in large quantities. These will be here for distribution and every resident of the county should secure one at once. The bulletins tell how the disease may be recognized, how it is spread and the best means to prevent it.

Please do not send in any more cast off clothing for the refugees. The Chapter has sent in sixty cases, more than four times our quota and no more is needed. Turn what you have undelivered over to the Welfare Board or some other charity.

If you want to send your boy overseas all the news from Nodaway County you should secure a copy of "Home News" issued by the Chapter and which contains four pages of nothing but local news covering events, and happenings all over the county. It saves letter writing and gives the boys just what they are asking for news from home. Branches and auxiliaries are urged to secure them at headquarters. They are free.

The following auxiliaries report the following work completed last week:

Westminster Guild—Twelve members were present. No record given of work done.

Woodman Circle—Three members present. Made 75 2x2 wipes.

McDonald Girls—Thirteen members present. Made 225 2x2 wipes.

Christian Church—10 members present. No report of work done.

Shakespeare and P. E. O.—Seven members present. Four 5-yard rolls and 150 shot bags.

Lasher—50 shot bags, 25 triangulars 30 12x24 absorbent pads.

Rebekah—30 12x24 absorbent pads.

Skidmore—48 5-yard rolls.

Parnell—11 comfort kits, 50 5-yard rolls.

United Workers—225 4x4 wipes, 50 2x2 wipes.

Pickering—33 5-yard rolls.

Union, Ravenwood—1,850 shot bags, 105 slings.

Clearmont—Khaki backers, 51 12x24 absorbent pads, 14 sweaters, 115 triangulars, 10 12x24 pads.

Mutual, Burlington Junction—65 triangulars, 30 12x24 absorbent pads.

Rockford—65 many-tailed bandages, 5 12x24 pads, 100 shot pads, sixteen members were present.

Methodist Missionary Society—757 2x2 wipes, 14 members were present.

M. E. South—Eleven were present, no record of work given.

The Lasher auxiliary met Thursday in an allday session and completed 17 many-tailed bandages, 45 triangulars, 100 shot bags and quilted one quilt. They also met on Friday afternoon and made, washed and ironed 3 sheets, 7 bath towels, 10 hand towels and 18 handkerchiefs. Lasher auxiliary can always be depended on to get their quota of whatever is ordered in on time and in good shape. Miss Ella O'Grady is instructor.

Ravenwood sent in for the linen shower 48 bath towels, 67 hand towels, 22 sheets, 102 handkerchiefs.

The American Red Cross will have expended $70,000,000 for war relief in France by the end of the present year, says a report made public by the Red Cross War Council. Up to July 1, 1918, the expenditures totalled $36,613,682, of which $22,160,632 was for work among refugees, reclaiming devastated areas, aid for civilians and funds to fight tuberculosis. The demands for the concuding six months call for $34,582,827, which already has been appropriated.

All articles that have been donated for the linen shower must be at headquarters not later than Thursday of this week as the shipment will be made Friday. All auxiliaries and branches please send in your articles at once.

The shipment from headquarters this week to the St. Louis office consisted of a case of 120 knitted sweaters, 3 cases of 12x24 absorbent pads (620 pads in all), 1 case of 1,005 triangulars, 21 cases of refugee garments. Our quota of refugee garments was 2,000; 6,700 pounds were shipped and there is yet 2,000 pounds to be shipped.

Mrs. Norman Chamberlain, chairman of surgical dressings in Polk township, will be at headquarters every Wednesday from 9 to 12 and on Saturdays from 2 to 5 to give out material and instructions to workers. Workers will please arrange to see Mrs. Chamberlain on one of the days named.

Walter Shrubshell in France.

Mrs. W. L. Butler received word this morning of the safe arrival overseas of her brother, Walter D. Shrubshell, who is in the field artillery service. Young Shrubshell enlisted last spring when a call for special service men was made and they were sent to Ames, Ia., for their first training.

RECEIVING WAR CROSS

The patriotic spirit and devotion with which American women have so far performed war-service work and made sacrifices has never been equalled in the history of any country. Mothers, wives and sisters support this burden with strength and fortitude. But those who are already miserable from the complaints and weaknesses which are so common to women, should take the right tonic for the womanly system.

If a woman is borne down by pain and sufferings at regular or irregular intervals, by nervousness or dizzy spells, by headache or backache, "Favorite Prescription" should be taken. "Favorite Prescription" can now be had in tablet form as well as liquid at most drug stores. Send to Doctor Pierce's Invalids' Hotel, Buffalo, N. Y., for a ten-cent trial package of tablets.

For fifty years Dr. Pierce's Pleasant Pellets have been most satisfactory in liver and bowel troubles.

CARTHAGE, MO.—"My mother used Dr. Pierce's Favorite Prescription and was so well pleased with it that she gave it to me when I was entering womanhood, and I have used it off and on all my life for ailments for which it is intended to be helpful. I have given it to my daughter for the same ailments. It has always helped us promptly and satisfactorily.

"I have used the 'Golden Medical Discovery' for a bad cough and slight asthma, and was pleased with the way it benefited me.

"I have used Dr. Pierce's Pleasant Pellets all my life for constipation and biliousness. I like them better than other medicine of the kind because I can stop taking them any time without noticing any bad effects. There is no danger of getting a habit and being compelled to keep on taking them."—MRS. GEORGE F. BLUE, 711 East Second Street.

HOME CRAFT NOTES.

Do you know that every one who passes your home judges you by the way your windows are draped?

Bare windows suggest a poor housekeeper; ill-draped windows the lack of good taste.

During Home Craft Week—Oct. 7 to 12—we will display for the artistic homemaker the cream of the market's merchandise.

A great quantity of new patterns in curtains, drapery, upholsteries, etc., are on display in our Drapery Department.

Moreover, in this department you will also find suggestions for the best methods of decorating your homes, particularly your windows.

To Attend District Club Meet.

Randall-Ten Eyck Wedding Invitations Received.

Maryville friends have received invitations to the wedding of Coach Ten Eyck of Syracuse, N. Y. and Miss Edna Olive Randall of Mount Vernon, Ia., which takes place Thursday afternoon, Oct. 10 at the bride's home. Miss Randall was head of the department of public speaking of the Normal for several years. Mr. Ten Eyck is athletic director of Syracuse university, Syracuse, N. Y., and has been in a similar capacity at other large colleges of the east. The wedding will be a very simple affair and will be attended by only intimate friends.

W. R. C. Gives Annual Banquet to G. A. R.

The Women's Relief Corps entertained the members of the G. A. R. Saturday night at a banquet and musicale in their hall on East Fourth St. The banquet is an annual custom and about fifty persons enjoyed this occasion. After the dining, Capt. Chas. Hyslop and the Rev. T. J. Puckett each made short addresses. Mrs. F. P. Robinson sang several of the old home and patriotic songs and told many interesting incidents about her recent trip to Camp Funston, Kan., where she gave concerts for the soldiers. Warren Jones loaned a large Edison machine and gave a program of musical and speaking records including many patriotic numbers and the new war songs.

D. A. R. Holds Initial Meeting of the Fall.

Mrs. Joseph Jackson, Mrs. Edward Wright Gray, Mrs. Lawrence Ogden and Miss Marjorie Wilfley entertained the Maryville chapter, Daughters of the American Revolution, at the home of Mrs. Jackson Saturday afternoon in the first regular meeting of the year. The home was attractively decorated with red, white and blue flowers and American flags. During the business session, two new members, Mrs. G. B. Roseberry and Mrs. W. O. Garrett were received. The chapter voted to send a Christmas box to Suzanne Colomer, an 11-year-old French war orphan, whom they have adopted. A letter from a French woman, telling of the little girl, was read at the meeting. One part of their work is a great source of gratification to the chapter, that is their money pledges, as their quota has been paid in full and over to all Liberty loans and war relief funds asked by the national chapter. The program was readings taken from the captions of the new war songs. Preceding each number, Mrs. D. J. Thomas and Mrs. Edward W. Gray, played and sang the song and the reading followed. The first was "Over There," given by Miss Orril Helwig; "Pack Up Your Troubles," by Mrs. L. C. Gann; "Keep the Home Fires Burning," Mrs. J. F. Montgomery; "There's a Long, Long Trail," Miss Beulah Brunner; "Our Missouri Boys,' by Mrs. Anderson Craig. During the social hour, Mrs. G. L. Wilfley, Mrs. S. A. Coile, Mrs. Eugene Ogden poured coffee and served from the table in the dining room which was centered with a graduated floral pyramid made of red salvias, white petunias and blue larkspur. This was the sixth year of organization for the local chapter and a birthday cake, bearing six red, white and blue candles was cut by the regent, Mrs. Will J. Montgomery. Three visitors were present, Miss Jaunita Floyd, a member of the Normal faculty this year, Mrs. Susan Case of Mound City and Mrs. J. Wesley Jones of Loveland, Colo., the guest of her sister, Mrs. J. F. Montgomery.

Entertains for Oklahoma Visitors.

Mr. and Mrs. Charles Dempsey, living south of the city, entertained with a dinner yesterday noon, complimentary to Mr. Dempsey's sister, Mrs. L. B. Torrance and Dr. Torrance of Okmulgee, Okla., who are visiting relatives in the city. The guests were Dr. and Mrs. Torrance, Mr. and Mrs. J. E. Stewart, Mr. and Mrs. I. E. Tulloch and children, Stewart and Virginia.

St. Joseph Guests Spend Day.

Mr. and Mrs. Leland Andrews and son, Jack, Miss Dot Currey and Mr. and Mrs. Harry Wright of St. Joseph drove to Maryville yesterday and spent the day, the guests of Miss Marie Reuillard, Miss Anna Bainum and Mr. and Mrs. Eldon Irvin.

Mr. and Mrs. I. E. Tulloch were the hosts of a dinner given at noon today when they entertained Dr. and Mrs. L. B. Torrance of Okmulgee, Okla., and Mr. and Mrs. J. E. Stewart.

Do Not Get Careless With Your Blood Supply

Impurities Invite Disease.

You should pay particular heed to any indication that your blood supply is becoming sluggish, or that there is a lessening in its strong and vital force.

By keeping your blood purified, your system more easily wards off disease that is ever present, waiting to attack wherever there is an opening. A few bottles of S. S. S., the great vegetable blood medicine, will revitalize your blood and give you new strength and a healthy, vigorous vitality. Everyone needs it just now to keep the system in perfect condition. Go to your drug store and get a bottle to-day, and if you need any medical advice, you can obtain it without cost by writing to Medical Director, Swift Specific Co., 25 Swift Laboratory, Atlanta, Ga.

FORMER MAYOR OF BIRMINGHAM, ALA. ENDORSES TANLAC

"You Will Hardly Know Me When We Meet Again, for I am Getting Well," He Writes Friend.

One of the latest additions to the list of leaders of thought and action who have come forward with their unqualified endorsement of Tanlac is the name of Hon. Frank V. Evans, former mayor of Birmingham, Ala., ex-State Examiner of Public Accounts of Alabama, and at one time editor of one of the South's greatest newspapers, The Birmingham Age-World.

Writing to a personal friend in Atlanta, Mr. Evans says:

Birmingham, Ala., Feb. 2.

" * * * * * By the way, you will hardly know me when we meet again, because I am getting well and strong again. As I told you while in Atlanta last month, I have been suffering a long time with gastritis, as the doctors call it—really a disordered stomach with consequent constipation, pains in the shoulders, headache, belching, heartburn, loss of appetite, loss of sleep, and fainting spells. For weeks I could not sleep on my back.

"One week ago, upon recommendation of friends, who had tried the medicine, I purchased one bottle of Tanlac and began taking it. Since my second dose I have suffered none of these troubles to which I refer, and really believe I am going to get perfectly well and strong again. Won't that be wonderful at my age? Well, certain it is that Tanlac is a wonderful medicine, and you know I am not given to 'puffing' mere experiments and am rather orthodox as to materia medica."

"I shall continue the treatment with perfect confidence in the final results."

(Signed) "FRANK V. EVANS."

Commenting on this splendid endorsement of Tanlac G. F. Willis, International Distributor of Tanlac said:

"Although the list of prominent endorsers is a long one I recall a few leading names that lend both dignity and credit to the entire array. Some of them are:

"Hon. C. W. Mangum of Atlanta, Ga., for three terms Sheriff of Fulton County; Hon. Moses R. Glenn, Superintendent of Printing for the state of Kentucky; Mr. C. C. Cooper, President of the Georgia Cotton Oil Company; Mr. H. W. Hill, Bank President of So. Pittsburg, Tenn.; Mr. J. F. Carroll, Cotton Mill Superintendent of Chattahoochee ,Ga.; Hon. A. E. Anderson of Houston, Tex., for seven years sheriff of Harris County; Hon S. S. Shepard, ex-city Councilman of Atlanta, and many others whose names have heretofore been given to the public.

"With a view to avoiding further bloodshed, the German government requests the immediate conclusion of an armistice on land a ndwater and in the air."

Washington, Oct. 7.—Any proposal of armistice by Germany or Austria must be made to General Foch, Senator Nelson of Minnesota declared in the senate this afternoon. He interrupted the peace debate that was in progress to say "let us leave this matter to General Foch."

ACCEPTS BAPTIST CALL

Rev. W. C. Ferguson of Liberty, to Take Pastorate in This City.—Move Family Here This Week.

The Rev. W. C. Ferguson of Liberty, Mo., who was given a call last week to the pastorate of the First Baptist church of this city, has accepted the charge and will assume his duties at once.

Mr. Ferguson informed the congregation of his acceptance yesterday morning at the close of the church service which he conducted. Mr. Ferguson is a young man of much ability and is a splendid speaker. He comes highly recommended to this congregation, both as a preacher and pastor. He has a wife and one child and he will bring them to Maryville this week. For several years, Mr. Ferguson has been connected with William Jewell College.

BIGGEST U.S. ARSENAL AFIRE

Plant at Rock Island, Ill., Threatened With Destruction.—Origin of the Flames Is Not Known.

Rock Island, Ill., Oct. 7.—Fire attacked the United States arsenal here today and all available flame fighting apparatus was rushed from nearby cities to prevent a catastrophe such as occurred in New Jersey aSturday. The flames were eating their way towards the powder magazine where a great supply of T. N. T. is stored. The arsenal here is the largest in the United States. The origin of the fire is not known.

Later: At last reports it is believed the fire is under control.

CLIPPER SHIPS IN LONG RACE

Contest Between Vessels Carrying Tea From China to England One of the Best on Record.

The China clipper races, contested by vessels carrying tea to England, covered the longest course of any race in history. One of the most famous was that of 1866. It was arranged that nine of these ships should sail from Foochow with the new season's teas as nearly as possible on the same day, but only five finished loading in time.

The Fiery Cross was the first to start, being towed out to sea early on May 29. The Ariel followed next morning at 10:30, the Serica and the Taeping sailing 20 minutes later, while the Taitsing did not put to sea until midnight on the 31st. They were, of course, all chosen ships with a reputation for speed.

The Fiery Cross was the first to round the Cape of Good Hope, 46 days out, with the Ariel on her heels, while the Taeping, Serica and Taitsing were respectively one, four and eight days behind. The Ariel led from the Azores to the entrance to the English channel, where the Serica and Taeping pulled up ahead of the others, and there followed a ding-dong race, up the channel, with a fine spread of canvas and a strong southerly wind.

The Ariel and the Taeping were the leaders, first one and then the other drawing ahead, the others sweeping along not far behind. It was a worthy finish for such crack ships. The Taeping arrived in the London docks at 9:45 p. m. on September 6, the Ariel in East India docks at 10:15 p. m., and the Serica in the West India docks at 11:30 p. m.

RABBIT BY NO MEANS TIMID

Correspondent Writes of Happening Which Would Seem to Make Old Saying a Foolish Thing.

A story of the fearlessness of the rabbit when still a baby is sent by a correspondent. Remarking on the baselessness of the popular saying "As scared as a rabbit" when Bunny is unspoilt by the world, "B" says: "Some days ago I was passing with a friend through a woodland glade, and suddenly there appeared on the path before us, say 50 yards away, a young wild rabbit, evidently just escaped from the nursery. It was almost too young to run, and tripped over its feet in the most comic manner—for all the world like a baby tumbling over its pinafore. It came slowly lolloping, lohoping toward us, and we held our breath for fear of scaring it away; for it was a most fascinating little creature, just a bundle of fluff and comedy. Then while we watched, tragedy sprang up full armed. A weasel, moving swiftly, silently through the trees, made a sudden dart. In one second all would have been over with bunny, but my companion clapped her hands and gave a wild cry of anger, dancing about in wrath. The weasel fled for its life. But the baby rabbit stopped to laugh a moment, and then came lolloping a little faster toward us—right up to us, in fact. We had actually to drive the little creature back to where we guessed its home might be before we could go on our way with quiet minds. 'Scared as a rabbit,' indeed!"

KEEP LOOKING YOUNG

It's Easy—If You Know Dr. Edwards' Olive Tablets

The secret of keeping young is to feel young — to do this you must watch your liver and bowels — there's no need of having a sallow complexion — dark rings under your eyes — pimples — a bilious look in your face — dull eyes with no sparkle. Your doctor will tell you ninety per cent of all sickness comes from inactive bowels and liver.

Dr. Edwards, a well-known physician in Ohio, perfected a vegetable compound mixed with olive oil to act on the liver and bowels, which he gave to his patients for years.

Dr. Edwards' Olive Tablets, the substitute for calomel, are gentle in their action yet always effective. They bring about that exuberance of spirit, that natural buoyancy which should be enjoyed by everyone, by toning up the liver and clearing the system of impurities.

You will know Dr. Edwards' Olive Tablets by their olive color. 10c and 25c per box. All druggists.
